FROM: Robert W. Scully
              Supervising Sanitary Engineer
              Environmental Engineering Program

RE: 2015 Technical Standards' Seminars

This Department's *Technical Standards for Subsurface Sewage Disposal Systems* (Technical Standards) will be revised on January 1, 2015. It is anticipated that the updated standards will available in the near future on the Department's website: www.ct.gov/dph/subsurfacesewage. Please download a copy for your records once they are posted. A revision summary will also be available on our website. Local health officials will be provided copies of the updated Technical Standards free of charge. The cost per hard copy of the Technical Standards for all others will be $3.00 cash or check. Checks must be made payable to: Treasurer, State of Connecticut. Program staff will be bringing hard copies of the Technical Standards to the seminars once our print order has been received.

After January 31, 2015, copies (at $3 per copy) can also be obtained by mailing a check or money order (payable to: Treasurer, State of Connecticut) to:

Hartford, CT 06134

</div>

The Department will be conducting regional seminars around the state to update local health officials, engineers, and licensed sewage system professionals on the revisions. Local health departments have made the arrangements for the seminars. Seating may be limited at a few sites, so please check the attached schedule for registration information. Please download a copy of Technical Standards for your review prior to the seminars as hard copies may not be made available until after January 31, 2015.

If you require aid or accommodation to participate fully and fairly in this meeting, please phone (860) 509-7293
Phone: (860) 509-7296 • Fax: (860) 509-7295 • VP: (860) 899-1611
