Data Source: Connecticut immunization registry CT DPH as of 7/14/2022; ^Vaccination data for Mansfield includes current 5/6/2022 data from UCONN (<https://covidashboard.uconn.edu>). +Downward changes from prior weeks are likely due to de-duplication or re-assignment of cases to different towns associated with UConn student residency changes. **State vaccination numbers are not broken down into the same age groups as the town level data and cannot be reported here.
 NOTE: census estimates for 65 and older is likely low, resulting in 100% rates based on actual number of vaccines provided to this age group.
