

Hartford HealthCare COVID Vaccination & Booster Clinic

**Tuesday November 9 & 23,
2021**

10:30 am-4:30 pm

**No appointment needed. Walk-ins
welcome!**

Professional Building (previously
United Services)
132 Mansfield Ave, Willimantic

We will be offering Pfizer and Moderna first and second doses, as well as approved boosters.

For those receiving dose 1, we will work each patient to schedule them for their second dose.

For those receiving second doses/boosters, they will need to present their vaccination card with record of receiving previous doses, vaccine administration date, and lot number.

**For more information, contact
Michele Brezniak 860-986-3067**
