

Position Announcement

Eastern Highlands Health District Public Health Project Specialist

The Eastern Highlands Health District, a local public health district serving ten towns, has an immediate opening for a full-time temporary public health project specialist. Primary responsibilities include conducting local public health activities in the areas of employee wellness, community coalition work, and providing assistance with public health program development and implementation.

Bachelor's degree in public health or a related field is required, Master's degree preferred. Experience in community health, health promotion, nursing, employee wellness, and coalition building desirable. Good communication skills are a must. This is a professional temporary grant funded position. Hourly wage is commensurate with education and experience.

Job applications must be completed at www.mansfieldct.gov/jobapp. Resumes and letters of interest may be submitted to HR@mansfieldct.org. Application review will begin immediately. **EOE/AA**
